Open Air Burning Application

Notice:

The Town of Arnprior allows the use of outdoor fire pits with the issuance of a permit from the Chief Fire Official. Please review [By-Law No. 3058-78](#) attached hereto, to ensure you can meet the minimum requirements to allow burning on your property. If you are eligible to burn under By-Law No. 3058-78 complete this application and bring it to the Arnprior Fire Department during regular office hours to receive a permit to burn. (Office Hours: Monday to Friday, 8:30am to 4:30pm)

Although By-Law No. 3058-78 may be interpreted to allow for the burning of yard waste and brush, please refer to the Town of Arnprior’s garbage pick-up schedule for alternatives to burning this material.

Please remember to be considerate of your neighbours and the community around you. Be diligent and protect other properties from by-products of combustion such as nuisance smoke and sparks.

Open Burning Violations:

Should a complaint be received regarding open air burning, a Fire Prevention/Protection Officer or a Fire Crew will respond to inspect the burning conditions. If you are found to be violating the terms of By-Law No. 3058-78, the fire will be extinguished and a violation notice will forwarded to the By-Law Office.
