BRIDGE REHABILITATION COUNTY ROAD 1 (MADAWASKA BOULEVARD) TOWN OF ARNPRIOR

Commencing mid June 2019, the County of Renfrew will begin construction activities at County Structure B258 (Madawaska River Bridge) on County Road 1 (Madawaska Boulevard) in the Town of Arnprior, approximately 0.1 km east of County Road 2 (Daniel Street). The work is currently scheduled to begin on June 17, 2019, and will require two years to complete. Winter shutdown of the project is anticipated to be from mid November 2019 to mid April 2020. Construction is anticipated to be completed mid December of 2020. The bridge will be reduced to two lanes of traffic during construction, access to residences and businesses will be maintained. Please drive carefully and obey all construction signage.
