Downtown Arnprior to be Featured in an Upcoming Holiday Film

Arnprior, ON. The Town of Arnprior is excited to announce Muse Entertainment will be in Arnprior the week of September 15th to shoot a made for TV movie. This movie will be showcasing Arnprior's newly revitalized downtown and some of the local businesses in the Downtown.

The movie titled "Turkey Drop" is a made for tv movie for the Freeform Network. Written by Tiffany Paulsen (*Adventures In Babysitting*) Turkey Drop stars Olivia Holt as Lucy Jacobs, a small-town girl who has started her freshman year at a big-city university. When Lucy returns home for Thanksgiving break, she suspects she's about to get turkey dropped — dumped by her high school sweetheart — during their holiday visit. To avoid a Turkey Day travesty, Lucy gets out of her comfort zone, proving she's not the same, play-it-safe girl she was with her high school boyfriend. As she takes control of her own life and makes choices that put herself first, she learns to let go of what's been holding her back, helping achieve what she truly wants out of life.

In this film, there are several scenes being shot for a marathon called the "Turkey Trot". Filming of these scenes will take place on John Street North on September 16, 2019. Therefore John Street North will be closed from Elgin Street to Madawaska on September 15th after the Arnprior Market and 16th to allow for decorating and filming. The film crew will also be utilizing the Municipal Parking lot located just behind John Street for operations. Filming will also take place in Krave Bistro on September 17th and 18th. Therefore, there will be no parking along Elgin Street from Daniel Street to John Street on September 17th and 18th.

Although the streets will be closed to vehicle traffic, the businesses will be open for business and shoppers are encouraged to visit their favorite local businesses as normal. Filming will be shot in small sections along the street so you may be asked to wait a moment or two for scene to cut before walking along a certain stretch of sidewalk, direction will be provided by on site staff.

The Town is thrilled to have Muse Entertainment in Arnprior and we look forward to seeing the final production highlighting the beauty of Arnprior's Downtown!
