Federal and Provincial governments have made a number of announcements regarding support measures for individual and businesses with the intent of keeping people safe and helping support people and businesses experiencing financial hardship because of the outbreak. In order to provide additional support to individuals and businesses Council has authorized further measures to help alleviate financial stress on individuals and businesses.

Council has authorized these temporary financial measures for individuals and businesses in response to the Covid-19 crisis:

- Waiving of penalty and interest for Water/Wastewater billings with due dates March 31, April 30 and May 31, 2020.
- 30-day grace period with deferral of property tax second instalment date from May 29, 2020 to June 30, 2020.
