COVID-19 – Provincial Government – Ontario's Action Plan - March 2020 Economic and Fiscal Update

1. March 25<sup>th</sup> - Ontario's Action Plan: Responding to COVID-19 (March 2020 Economic and Fiscal Update)
  - o **\$17 billion** total response is a critical first step to ensure Ontario's health care system, communities and economy are positioned to weather the challenges ahead.
    - i. Action Plan includes:
      - **\$3.7 billion** to directly support people and to protect jobs.
      - **\$3.3 billion** in additional health care resources to protect the health and well-being of the people of Ontario.
      - **\$10 billion** in support for people and businesses through tax and other deferrals
      - [https://budget.ontario.ca/2020/marchupdate/action-plan.html?\\_ga=2.125139914.1996799419.1584986608-1305037528.1580157468#section-0](https://budget.ontario.ca/2020/marchupdate/action-plan.html?_ga=2.125139914.1996799419.1584986608-1305037528.1580157468#section-0)

➤ *Further Breakdown of Action Plan:*

I. Resources for the Health Care System

- **\$1.0 billion** COVID-19 **contingency fund** for emerging health care needs related to the COVID-19 outbreak.
- **\$935 million** for the hospital sector, including increasing health care capacity by 1,000 acute care and 500 critical care beds and completing additional assessment centres.
- **\$160 million** to support COVID-19 monitoring, surveillance, and laboratory and home testing, while also investing in virtual care and Telehealth Ontario.
- **\$243 million** for surge capacity in the long-term care sector, as well as funding for 24/7 screening, more staffing to support infection control, and supplies and equipment to help tackle the COVID-19 outbreak.
- **\$75 million** to supply personal protective equipment and critical medical supplies to front-line staff to tackle COVID-19.

II. Support for Businesses

Helpful web link with details:

<https://budget.ontario.ca/2020/marchupdate/annex.html>

- Cutting taxes by **\$355 million** for about **57,000 employers** through a proposed temporary increase to the **Employer Health Tax (EHT) exemption**.
  - i. Proposal to retroactively raise the EHT exemption from \$490,000 to **\$1 million** for 2020. The exemption would return to its current level of \$490,000 on January 1, 2021.
  - ii. Would provide additional EHT relief of up to **\$9,945** per eligible employer.
- Helping to support regions lagging in employment growth with a proposed new Corporate Income Tax Credit, the **Regional Opportunities Investment Tax Credit**.
  - i. **10 per cent** refundable Corporate Income Tax credit for capital investments.
  - ii. **34** eligible regions in both Northern and Southern Ontario.

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

---

- iii. The tax credit would be available for expenditures in excess of **\$50,000** and up to a limit of **\$500,000** for qualifying investments.
- iv. For eligibility details please visit:  
<https://budget.ontario.ca/2020/marchupdate/annex.html>
- o **\$6 billion** in support by providing **five months** of interest and penalty relief for businesses to file and make payments for the majority of provincially administered taxes.
  - i. Beginning **April 1, 2020**, penalties and interest will not apply to Ontario's businesses that miss any filing or remittance deadlines under select provincially administered taxes. This will continue for a period of five months, up until **August 31, 2020**, under the following provincially administered tax programs:
    - Employer Health Tax;
    - Tobacco Tax;
    - Fuel Tax;
    - Gas Tax;
    - Beer, Wine and Spirits Taxes;
    - Mining Tax;
    - Insurance Premium Tax;
    - International Fuel Tax Agreement;
    - Retail Sales Tax on Insurance Contracts and Benefit Plans; and
    - Race Tracks Tax
- o **\$1.9 billion** in support by the **Workplace Safety and Insurance Board (WSIB)** allowing employers to defer payments for up to **six months**.
- o <https://www.wsib.ca/en/financialrelief>
  - i. All employers covered by the WSIB's workplace insurance are automatically eligible for the provisions of the relief package and can defer premium reporting and payments until **August 31, 2020**.
  - ii. They will not be required to opt in to receive this benefit.
  - iii. There will be no negative consequences for businesses who defer premium reporting and payments.

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

---

- iv. The WSIB will continue to fully cover workers at eligible workplaces.
- v. The deferred premiums will amount to an average **\$1,760** for approximately **275,000 Ontario businesses**.
- vi. Additionally, the government reduced costs to employers by deploying a new rate framework and via the elimination of the unfunded liability charge, putting more than **\$2 billion** back into the economy.

*III. Support for Individuals & Families*

- o Providing a one-time payment of **\$200** per child up to 12 years of age, and **\$250** for those with special needs, including children enrolled in private schools.
- o Proposing to **double** the Guaranteed Annual Income System (GAINS) payment for **low-income seniors for six months**.
  - i. Proposal to double the Guaranteed Annual Income System (GAINS) maximum payment to \$166 per month for individuals and \$332 per month for couples, for six months starting in April 2020
- o Provides approximately **\$5.6 billion** for electricity cost relief programs in 2020-21 (See Bullets 3 for detail on business accounts and Bullet 7 for residential details)
- o **\$9 million** in direct support to families for their energy bills by expanding eligibility for the Low-income Energy Assistance Program (LEAP) and ensuring that their electricity and natural gas services are not disconnected for nonpayment during the COVID-19 outbreak.
- o Expanding access to the emergency assistance program administered by Ontario Works
- o Providing **six months** of Ontario Student Assistance Program (**OSAP**) loan and interest accrual relief for students
- o **\$26 million** to Indigenous peoples and communities, including emergency assistance for urban Indigenous people in financial need
- o Enhancing direct funding by **\$148 million** for charitable and non-profit social services organizations such as food banks, homeless shelters, churches and emergency services

Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM

IV. Joint Support for Both Individuals & Businesses

- Over **\$1.8 billion** in support by deferring the upcoming **June 30** quarterly municipal remittance of **education property tax** to school boards by 90 days, which will provide municipalities the flexibility to, in turn, provide property tax deferrals to residents and businesses
- The government is postponing the planned property tax reassessment for 2021.

**COVID-19 – Provincial Government – Support for Businesses**

- The Provincial government is reaching out on a daily basis to leaders at businesses big and small, including at our financial institutions, as well as unions, to ensure we have the latest information, and that there is an open line of communication as the government works to address COVID-19's impact on the economy.

2. April 2<sup>nd</sup> - Ontario Supports Trucking Sector

- The Ontario government is working closely with truck drivers and associations to respond to the issues they face on the road.
- The government is ensuring all **23 ONroute** travel plazas remain open for take-out, grab and go and drive-through services, including washrooms with enhanced cleaning.
- The province is also providing **portable washrooms at 32 truck inspection stations**, so trucks have a place to stop and rest safely.
- These actions build on measures announced last month that allow the **24-hour delivery of goods** without the restrictions of municipal noise by-laws, and the **extension of the validation** of driver's licences, Commercial Vehicle Operator's Registration certificates and other products that expired on or after March 1, 2020 (see [Municipal Emergency Act, 2020](#) and [Commercial Vehicles - Extension of validation Periods](#) for more details).

3. April 1<sup>st</sup> - \$50 million Ontario Together Fund: Currently Active

- The Ontario government is launching a new **\$50 million Ontario Together Fund** to help businesses provide innovative solutions or retool their operations in order to manufacture essential medical supplies and equipment, including:

Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM

---

- i. Gowns
    - ii. Coveralls
    - iii. Masks& face shields
    - iv. testing equipment
    - v. ventilators
  - This new Fund will support the development of proposals **submitted by businesses through the [Ontario Together web portal](#)**.
  - The government will be looking for the most viable, innovative proposals that can quickly provide critical goods and services and the greatest benefit to the people of Ontario.
  - The fund is time-limited and will be available to companies and organizations across the province.
4. March 25<sup>th</sup> - Stop the Spread Business Information Line Now Open at 1-888-444-3659 – **Currently Active**
- The province has launched a toll-free line **1-888-444-3659** to provide support to Ontario businesses who have questions about the province's recent **emergency order** to close at-risk workplaces.
  - Help is available from Monday to Sunday, from 8:30 a.m.—5:00 p.m.
  - Businesses who have questions about closures of at-risk workplaces or how emergency measures impact their business or employment can call the **Stop the Spread Business Information Line**.
5. March 24<sup>th</sup> - Off-peak Time-Of-Use (TOU) electricity rate for small businesses, and farm customers – **Currently Active**
- For a **45-day period**, the government is working to suspend time-of-use electricity rates, holding electricity prices to the off-peak rate of **10.1 cents-per-kilowatt-hour**.
  - This reduced price will be available **24 hours per day, seven days a week** to all time-of-use customers.
  - Customers will see rate reductions of over **50 per cent** compared to on-peak rates.
  - This discount will be applied automatically to electricity bills without the need for customers to fill out an application form.
  - Depending on billing cycles, some customers will see these changes on their next electricity bill. TOU customers whose billing cycle ended before their local distribution company implemented this change will receive the reduced rate as a credit on a future bill.
6. March 21<sup>st</sup> - *Launch of Ontario Together Website* **Currently Active**
- [Ontario Together](#), a new website that will help businesses and their employees work with the province to meet the challenges of COVID-19.

---

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

---

- The website will identify the province's supply challenges and solicit ideas and advice from Ontario's business and manufacturing communities on how the government can work together to meet the need.
  - Through the portal, companies will be able to submit proposals for the government to procure required goods and services and share creative solutions quickly.
  - <https://www.ontario.ca/page/how-your-organization-can-help-fight-coronavirus>
7. March 19<sup>th</sup> - Municipal Emergency Act, 2020 - Supply Chain - Temporary Changes to Municipal Noise By-Laws: **Currently Active**
- The new legislation ensures that for the near future, the delivery of goods to Ontario's businesses and consumers isn't impacted by municipal noise by-laws that may unintentionally be impeding such deliveries when they are most urgently needed.
  - The new legislation will waive local noise by-laws allowing delivery trucks to operate overnight.
  - These temporary changes will allow businesses to transfer goods between their warehouses and retail stores 24 hours a day, seven days a week.
8. March 19<sup>th</sup> - Commercial Vehicles - Extension of validation Periods for Driver, Vehicle and Carrier Products: **Currently Active**
- New regulations include extensions for driver licences, licence plate validation, Ontario Photo Cards, and **Commercial Vehicle Operator Registration certificates**, among others.
  - The Ministry of Transportation is also automatically extending the due dates for medical or vision reports
  - This extension will be in place until such time that, based on the advice of Ontario's Chief Medical Officer of Health and public health officials, the current situation improves.

## COVID-19 – Provincial Government – Support for Individuals

- The Province is working with partners across the healthcare system, from public health to hospitals and community care, to do everything possible to contain the virus and ensure that the system is prepared to respond to any scenario.
-

Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM

---

9. April 7<sup>th</sup> - Ontario Helping Indigenous Communities Stop the Spread of COVID-19

- The Ontario government is investing over **\$37 million** to support outbreak planning, prevention and mitigation efforts to ensure the **health and well-being of Indigenous people and communities** — particularly those in remote and far-northern regions.
- The funding will respond to the unique needs of First Nations, Métis and Inuit people and families across the province. **The total of \$37.8 million includes:**
  - i. **\$16.4 million** from the Ministry of Indigenous Affairs to provide emergency funds for food, household goods, critical supplies, transportation, and support and care, responsive services and supports for urban Indigenous people, self-isolation facilities in remote and northern communities, prevention and awareness efforts, and pandemic planning;
  - ii. **\$10 million** from the Ministry of Children, Community and Social Services to support Indigenous communities and agencies in responding to the needs of vulnerable children, families and elders during the outbreak;
  - iii. **\$7.4 million** from the Ministry of Municipal Affairs and Housing to help social service providers, charities and non-profits delivering critical housing services to Indigenous people living off-reserve; and
  - iv. **\$4 million** from the Ministry of Transportation to ensure continued service to remote and northern airports, enabling essential goods and services to continue reaching isolated communities.
- The Provincial government is also working with the Indigenous business community to assess how to address the impacts of COVID-19 on Indigenous businesses, economies and workers.

10. April 7<sup>th</sup> - Province Launches Online Portal to Match Available Health Care Workers with Employers – Currently Active

- The Ontario government is taking further action to stop the spread of COVID-19 by actively recruiting **health care workers** to increase the frontline capacity of **hospitals, clinics, and assessment centres**.
- The new **Health Workforce Matching Portal** will enable health care providers with a range of experience to join the province's response to COVID-19.
- Those providers include retired or non-active health care professionals, internationally educated health care professionals, students, and volunteers with health care experience.

---

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

- The portal will efficiently match the availability and skillsets of frontline health care workers to the employers in need of assistance to perform a variety of public health functions, such as case and contact management.
- Employers and interested health care professionals can visit the portal [here](#) and create a profile.
- Once registered, professionals can add their availability and employers can enter their request for support. **Registrants will receive an email notification if matched.**

11. April 6<sup>th</sup> - Additional Measures to Protect First Responders During the COVID-19 Outbreak

- The Ontario government has enacted an emergency order that will allow **police, firefighters and paramedics** to obtain COVID-19 positive status information about individuals with whom they are coming into contact.
- The information disclosed will be limited to an individual's name, address, date of birth, and whether the individual has had a positive COVID-19 test result.
- Strict protocols will be enforced to limit access to this information and will only be used to allow first responders to take appropriate safety precautions.
- Once the declaration of emergency is lifted, this data will be made inaccessible to first responders.

12. April 6<sup>th</sup> - Relief for Remote Northern Property Taxpayers During COVID-19

- The Ontario government is deferring **\$15 million in property taxes** for people and businesses in parts of Northern Ontario located outside of municipal boundaries.
- The Province is giving taxpayers in unincorporated areas more time to pay each of the four 2020 Provincial Land Tax installments. Taxpayers will have **90 extra days to pay** without incurring interest or penalties.
- The Province will also adjust payments to school boards to offset the deferral and to ensure there is no financial impact on Local Roads and Services Boards, the Province will continue to make payments to these partners, as scheduled.
- This measure of relief will assist the owners of over **63,000** residential and business properties outside municipal boundaries.
- This tax deferral builds on the \$10 billion in cash flow supports made available to people and businesses as part of [Ontario's Action Plan: Responding to COVID-19](#).

Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM

---

13. April 6<sup>th</sup> - One-time Financial Assistance During School and Child Care Closures - Support for Families initiative – Currently Active

- The Ontario government is offering **direct financial support to parents** while Ontario schools and child care centres remain closed as a result of the COVID-19 outbreak.
- The new **Support for Families initiative** offers a **one-time payment of \$200** per child 0 to 12 years of age, and \$250 for those 0 to 21 years of age with special needs.
- Families can complete a **simple online application** at Ontario's Support for Families [web page](#) to access this financial support.
- Parents already receiving [Support for Parents](#) payments through direct deposit will be automatically eligible for this financial support and do not need to submit a new application.
- Through this initiative the government is providing over **\$300 million** in relief to parents across Ontario as part of Ontario's Action Plan: Responding to COVID-19.

14. April 4<sup>th</sup> - New online portal connecting workers with employers looking to fill positions in the agri-food sector – Currently Active

- This new online tool will make it easier to match people to essential **jobs and training resources** throughout the provincial **food supply chain**.
- The new portal will ensure grocery store shelves remain full and families have food on the table during the COVID-19 outbreak.
- [Ontario.ca/AgFoodJobs](#) provides access to information on **job opportunities and training resources** in all parts of **Ontario's food supply chain** - from grocery retailers to bakeries and cheese processing plants to opportunities on farms.
- In 2018, Ontario's agri-food industry employed more than 837,000 people, representing 11.6 per cent of the province's labour force and contributed **\$47.7 billion in GDP** to the provincial economy (6.6 per cent of total Ontario GDP).

15. April 4<sup>th</sup> - Relief funding for residential service providers that support vulnerable populations - Residential Relief Fund – Currently Active

- The Province is investing up to **\$40 million** to support organizations that provide **residential services for children and youth, people with developmental disabilities** and **emergency shelters for women and families** fleeing domestic violence.
- The COVID-19 [Residential Relief Fund](#) will cover costs such as additional staffing, residential respite for caregivers; personal protective equipment

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

---

and supplies; initiatives to support physical distancing and transportation to minimize client exposure.

- Ontario has also enacted temporary measures to help ensure that **staffing and resources** are available to help care for and protect people with developmental disabilities and the frontline workers who support them.
- These temporary measures provide further flexibility for developmental service agencies to redirect their staffing and financial resources to essential tasks that keep individuals with developmental disabilities safe and out of hospital.
- For details please visit:  
<https://files.ontario.ca/solgen-oicwork-deployment.pdf>

16. April 3<sup>rd</sup> - Ontario Protecting Seniors in Retirement Homes During COVID-19 Outbreak – Currently Active

- A temporary order has been made under the **Emergency Management and Civil Protection Act** that will **help retirement homes address emergency staffing** needs as they respond to COVID-19.
- With this temporary action, retirement homes will have more flexibility to recruit and reassign staff to address the impacts of this new virus and will be able to focus more resources toward implementing the protocols and procedures put in place to keep residents safe.
- These important measures are aligned with similar orders issued for hospitals and long-term care homes and will allow retirement homes to more quickly deploy personnel as needed.
- The Province is also investing **\$20 million** in additional funding to support increased infection control and active screening measures.
- For more details please visit:  
<https://www.ontario.ca/laws/regulation/200118>

17. April 3<sup>rd</sup> - Ontario Extends Business Closures to Stop the Spread of COVID-19

- The Ontario government is reducing the list of businesses classified as essential and ordering more workplaces to close.
- This measure is necessary to prevent the spread of COVID-19 and protect the health of the people of Ontario, while ensuring that necessary goods and services remain available.
- The government is ordering all businesses not covered by the updated Emergency Order to close **effective as of Saturday, April 4, 2020 at 11:59 p.m.**
- This closure will be in effect for **14 days**, with the possibility of an extension as the situation evolves.

Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM

---

- The updated essential businesses list can be found [here](#).
- The government is also implementing additional measures to **protect frontline workers** in essential businesses by **adding more than 60 special consultants and officers** and **doubling the number of phone agents at its Health and Safety Call Centre** making it easier for workers to report safety concerns.
- Workers worried their workplaces are unsafe can phone **1-877-202-0008** to speak with an agent.

18. April 3<sup>rd</sup> - Ontario Increasing Public Health Units' Capacity to Stop COVID-19 –  
**Currently Active**

- To support public health units' extensive efforts to stop the spread of COVID-19, Ontario is taking further action to redirect existing resources to focus squarely on the fight against this new virus while allowing for public health units to considerably increase their capacity.
- Ontario has launched a [new user-friendly online portal](#) for the public to easily access their COVID-19 lab test results.
- This portal will help ease pressures on public health units and frontline workers to provide this information so that they can better focus on containing COVID-19.
- Ontario is also issuing a [new emergency order](#) under the *Emergency Management and Civil Protection Act*, effective immediately, to provide public health units the authority and flexibility they need to make staffing decisions that support their ongoing fight against the outbreak.
- As a result, public health units will be able to significantly expand their capacity to implement critical public health functions, such as case and contact management, through the use of volunteers, including the thousands of retired nurses and medical students who have signed up through the province's website.

19. April 2<sup>nd</sup> - Ontario Increasing Mental Health Support During COVID-19 –  
**Currently Active**

- The Province is providing emergency funding of up to **\$12 million** to immediately expand **online and virtual mental health supports** and **\$2.6 million** to hire new psychologists and other mental health workers to support Ontario Provincial Police (OPP) personnel.
- With this investment, mental health agencies will receive emergency funding to hire and train more staff and purchase necessary equipment, appropriate technology and additional licenses.

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

---

- These services will help people experiencing anxiety, stress and other mental health challenges, including people who are unable to access their regular in-person counselling supports.

**20. April 2<sup>nd</sup> - \$4 million to support victims and protect front-line justice staff**

- The government of Ontario is providing an emergency payment of more than **\$2.7 million** to support services for victims of domestic violence and other violent crimes during the COVID-19 crisis.
- This additional one-time emergency payment will **help more than 50 community agencies** across Ontario, including [victim crisis assistance organizations \(VCAOs\)](#), Indigenous organizations and those based in rural areas, stay operational and accessible to victims during the public health crisis.
- Funds will help front-line staff respond to challenges caused by the COVID-19 crisis and enhance access to immediate supports for victims, including extended hotels stays, and transportation and meal vouchers available through the [Victim Quick Response Program Plus \(VQRP+\)](#).
- The government is also investing **\$1.3 million** in technology to help courts and tribunals continue the transition to remote operations.
- This funding was announced on March 25th in Ontario's Action Plan: Responding to COVID-19.
- To date, all courtrooms in the Ontario Court of Justice are operating remotely. Matters involving individuals held in custody are now being held remotely, removing the need for transportation and transfers between correctional facilities and courthouses.

**21. March 31<sup>st</sup> - Ontario Increasing Health and Safety Measures to Better Protect Frontline Nurses**

- The province, in collaboration with the **Chief Medical Officer of Health**, and in consultation with the **Ontario Nurses' Association (ONA)**, **Ontario Health** and the **Ontario Hospital Association (OHA)**, is issuing a directive on health and safety standards for frontline nurses in hospitals in order to prevent exposure to and transmission of COVID-19.
- These standards have been developed with the guidance of clinically trained frontline nurses, hospital leaders and public health experts.

**Revision Update: April 7<sup>th</sup>, 2020 @ 4:30PM**

- A joint statement from the province, the Chief Medical Officer of Health and the ONA can be found [here](#).

**22. March 31<sup>st</sup> - Province Launches Second Phase of the Learn at Home Portal:**

**Currently Active**

- Launch of the second phase of [Learn at Home](#), an online portal that will provide resources for families so students can continue their education while schools are closed due to the ongoing COVID-19 situation.
- The at-home activities offered provide quick and easy access to some of Ontario's best online **kindergarten to grade 12** learning resources produced by Ontario College of Teachers (OCT) Educators.
- No student will have their graduation compromised by COVID-19.
- For students who do not have access to a computer, work is underway, in conjunction with school boards, to provide the necessary technology to everyone who needs it.
- There are now 36 high-quality English courses and 47 French-language courses available for secondary students to review, refresh and extend their learning as part of independent study.
- Public schools will remain closed to teachers until Friday, May 1, 2020, and to students until Monday, May 4, 2020. As these dates come closer, this decision will be re-evaluated based on public health advice.

**23. March 31<sup>st</sup> - Province Supports Postsecondary Students During COVID-19**

- To ensure students can successfully complete the academic year, Ontario has finalized an agreement with **eCampusOntario** to make **digital learning supports** available to postsecondary institutions.
- These interim digital learning supports, available in both French and English, will provide publicly-assisted colleges and universities with the technology they need to conduct year-end assessments.
- The province is also distributing **\$25 million** in additional funding to publicly-assisted colleges, universities and Indigenous Institutes to help address each institution's most pressing needs in the wake of the COVID-19 outbreak such as deep cleaning, purchasing medical supplies or offering mental health supports.
- As previously announced, **OSAP loans** will be subject to a **six-month** interest-free moratorium until September 30, 2020.
  - i. This means that during this time, borrowers will not be required to make any loan payments and interest will not accrue.
  - ii. Any optional payments made during this period will go entirely towards their loan principal.

- iii. Disinfecting agents intended for cleaning and disinfecting objects or humans.
- iv. Personal hygiene products, including soap products and paper products.
- o Consumers can report an individual who is price gouging by filing a complaint at 1-800-889-9768 or by [filing a report online](#).

**29. March 28<sup>th</sup> - Ontario Protecting Supply Chains to Support COVID-19 Emergency Response**

- o Government of Ontario has proclaimed the **Supply Chain Management Act**.
- o These regulations will enable the Ministry of Government and Consumer Services and the Ministry of Health to centrally manage public sector supply chains.
- o The objective is to ensure front line healthcare workers have the essential goods and services they need in the fight against COVID-19 like ventilators, masks and swabs.
- o It will allow the collection of key data on inventories, orders and supply constraints and the development of a **virtual inventory tool** so that demand for crucial supplies are visible and trackable.
- o The government can now prioritize buying what is needed most, deploying them, and allocating them on a priority basis to support the delivery of essential services to Ontarians.

**30. March 24<sup>th</sup> - Off-peak Time-Of-Use (TOU) electricity rate for families and residential customers– Currently Active**

- o For a **45-day period**, the government is working to suspend time-of-use electricity rates, holding electricity prices to the off-peak rate of **10.1 cents-per-kilowatt-hour**.
- o This reduced price will be available **24 hours per day, seven days a week** to all time-of-use customers.
- o Customers will see rate reductions of over **50 per cent** compared to on-peak rates.
- o This discount will be applied automatically to electricity bills without the need for customers to fill out an application form.
- o Depending on billing cycles, some customers will see these changes on their next electricity bill. TOU customers whose billing cycle ended before their local distribution company implemented this change will receive the reduced rate as a credit on a future bill.

legislative limits to guarantee securities and insure mortgages by \$150 billion each.

59. March 16<sup>th</sup> - Measures Enacted by the Bank of Canada

- The Bank of Canada also took a series of actions to support the Canadian economy during this period of economic stress, enhance the resilience of the Canadian financial system, and help ensure that financial institutions can continue to extend credit to both households and businesses.
- This included cutting the interest rate to **0.75%** as a proactive measure in light of the negative shocks to Canada's economy arising from the COVID-19 pandemic and the recent sharp drop in oil prices.
- The Bank has broadened eligible collateral for its **Term Repo Facility**, under which the central bank temporarily buys treasury bills from dealers to help maintain funding conditions by providing a backstop to regular private funding.
- **Bankers Acceptance Purchase Facility** -- Purchase of securities linked to credit lines of small and medium-sized businesses. The first operation is planned for **March 23**.
- **Standing Liquidity Facility** -- This is the Bank of Canada's overnight credit facility for the country's payment system. Bank of Canada said Monday it will allow a greater percentage of collateral to be in the form of non-mortgage loans.
- **Canada Mortgage Bonds** -- The country's mortgage fund program lets approved financial institutions pool eligible insured mortgages into marketable securities, guaranteed by the country's housing agency. The Bank announced today it will target purchases of up to **\$500 million** per week "as market conditions warrant"
