Monday Message from the Mayor #4
April 13, 2020

To the residents and businesses of Arnprior:

I sincerely hope that everyone enjoyed this holiday weekend with their families. During these trying times, it is more important than ever to stay home and connect with loved ones over the phone or virtually. It is a lot to ask of our residents so we want to express our thanks again for your patience in these times. A special heartfelt thanks to those frontline workers and essential services who worked through this holiday to ensure that we are safe and healthy.

The Province of Ontario has extended the Declaration of Emergency and all emergency orders until April 23rd, 2020. These orders include the closure of our recreation and cultural facilities, parks, playgrounds, skateboard park, basketball courts and boat launch and marina facilities. We again ask everyone to exercise restraint, stay home and stay safe.

The Town Council will meet at a Special Council Meeting on Tuesday, April 14th, 2020 at 3:00pm to receive staff reports and information related to the impact of COVID 19 on our community. Because the Town Hall is closed to the public at this time, Council Meetings will take place electronically until further notice. Please see the Town's website at www.arnprior.ca/youtube to view the live stream and note that the meeting will be uploaded to YouTube for future viewing.

Links to resources are available on the Town's COVID 19 webpage or by calling or emailing staff, with contact information available on the Contact Us link of the Town's website www.arnprior.ca/covid .

Walter Stack
Mayor
