Town of Arnprior Prepares for Stage 2 Openings

Arnprior, ON. The Government of Ontario has announced that the majority of the province will be moving to Stage 2 of re-opening on Friday, June 12th, 2020. The new regulations allow for gatherings of up to 10 people with social distancing and the ability to re-open many businesses, places of worship and some recreational facilities including splash pads and beaches.

Based on this announcement, the Town is reviewing the information being released by the Province and will provide further information to the public on its impact shortly.

As always the Town of Arnprior wants to ensure that re-openings happen only when all measures are in place to ensure the health and safety of our residents and staff, while also ensuring the decisions made are financially responsible for the Town's taxpayers.

"The efforts of our citizens in curbing the spread of COVID-19 is making a difference in Renfrew County. The further opening of businesses and recreational opportunities safely and gradually will assist in our economic recovery and we are thankful for everyone's commitment," said Mayor Stack. "We ask our residents to continue to follow public health advice moving forward."

Please monitor the Town's website, app and social media for future notices on the re-opening of some municipal facilities in the coming weeks.
