Location of Structure in Downtown Arnprior

The Town of Arnprior Council and staff are working closely with the Renfrew County Health Unit and other community partners to investigate a structure moved to a location in Downtown Arnprior on February 23rd, 2021. We understand the concerns raised by the public and we want to assure the public that we take concerns for the health and safety of all residents very seriously.

The structure is located on private property and the Town is in contact with the owner and the individual who is occupying the structure regarding compliance with By-laws and Regulations. We appreciate the public's patience as we work through this matter.
